

Make your own Saxon warrior!

Step 1. Colour in your Anglo-saxon warrior

Step 2. Cut all around the outside of the warrior along the thick black line

Step 3. Fold along the tab at the end of the warrior and put a bit of glue along the edge

Step 4. Carefully curve your paper Anglo-saxon so that the blank tab goes under the opposite end of your warrior. You now have a cone Anglo-saxon warrior, ready for battle!
